

**SIRIO WINS THE CONCESSION OF THE RESTAURANT AND SNACK BAR,
WITH A HIGH RATE OF TECHNOLOGICAL INNOVATION
AT THE NAPLES - CAPODICHINO INTERNATIONAL AIRPORT**

Ravenna, 23 September 2019 – **Sirio S.p.A (AIM:SIO)**, an Italian company leader in the management of commercial catering in the hospital sector, announces that it has provisionally won the concession for the management of the bar and restaurant service at the Naples - Capodichino International Airport, the fifth Italian airport in terms of annual passenger flows.¹

The concession, for the management of a sales point for the cafeteria and restaurant service (for a total of 70 square meters) at the Air side of the Airport, has a total estimated value of over 6 million euros, and a duration of 5 years.

Sirio will be present with the "Combine coffee station" concept to create a place that combines technology and tradition, familiarity, experience and products. These elements will be offered, communicated and transferred to the customer through a process of customer engagement through various correspondence channels activated by visuals, sounds and suggestions, digital kiosks, automatic pickup boxes offering an immersive and fast shopping experience where you can compose your own meals ("Combo"). It is this mix of elements that represents the distinctive trait of the "Combine format", connoting its functionality. The customer can choose how to compose the combo, according to their tastes, in total autonomy and having fun.

Stefania Atzori, Sirio's Chief Executive Officer, commented: *"This award at the international airport of Naples, added to the points of sale already managed in the airports of Bologna and Genoa, make me more than confident about the path of growth outlined. A path that sees the consolidation of our leadership position in commercial catering in the hospital sector, assisted by growth in profitable sectors such as airport and franchising. With the Combine format proposed for the first time - Atzori continues - we have decided to combine: technology, professionalism and care, giving the customer the possibility to live a personalized experience, which responds to his needs, whatever they are"*.
