

## **SIRIO OPENS TWO FREEWAY (TOLL-FREE) POINTS OF SALE IN BUSSOLENGO (VR) AND VICENZA FOR THE MANAGEMENT OF THE RESTAURANT AREA, ADJACENT TO THE FUEL AREA**

Ravenna, November 22, 2019 - **Sirio SpA (AIM: SIO)**, an Italian company leader in the management of commercial catering in the hospital sector, announces that today it has signed two contracts with Retitalia, an important company in the Italian Oil & Gas, for the opening of two new points of sale in Vicenza and Bussolengo (VR).

The two contracts, whose negotiation had already been announced within the Admission Document (<https://siriospa.it/investor-relations/#ipo>), provide for a duration of 6 years with tacit renewal.

The point of sale in Bussolengo (VR), which is scheduled to open in December, is located on a high traffic density state road, with a refreshment area of 145 square meters identified with the "SIRIO la Stella del Ristoro" brand and from a fuel supply area with the ESSO brand managed directly by SIRIO SpA. The management of both points of sale and the OIL will enable the creation of composite and transversal commercial proposals with possible economies of scale in terms of costs and revenues.

The Vicenza point of sale, which is also scheduled to open in December, is located on a road adjacent to the city centre as well as near other important road arteries, with a 111-square-meter refreshment area identified with the "SIRIO la Stella del Ristoro".

In the two points of sale managed by Sirio, Italian coffee products will be served with the possibility of quick meals, with fresh raw materials and dishes prepared on the spot, and Market grab & go service.
